DB CITY EXTENSION EXPANDING EXCELLENCE, ELEVATING LIFESTYLES!

From above, the 8-bigha expanse of DB City unfolds as a stunning blend of natural beauty and modern design. This panoramic view reveals a meticulously planned layout where lush green spaces, elegantly arranged buildings, and winding pathways create a vibrant, interconnected community. Every detail is crafted to balance functionality and aesthetics, embodying DB City's commitment to luxurious, harmonious living.

GREEN AREAS

ACTIVITIES PROPOSED IN THE GREEN AREAS

The green areas within DB City are designed to be vibrant spaces for relaxation and recreation, offering a variety of activities for residents and visitors alike. From peaceful walking paths and jogging trails to outdoor yoga zones and community gardens, these lush environments promote both physical well-being and tranquility. Proposed activity zones include open-air fitness stations, picnic spots, and spaces for family gatherings, ensuring that every individual can enjoy the serenity of nature while engaging in their favorite pastimes.
